

T T T A A G G G

The image shows a DNA double helix structure. The top strand is red and the bottom strand is blue. The sequence TTTAAGGG is highlighted in red, green, and yellow. The sequence is TTTAAGGG. The first three bases (TTT) are red, the next two (AA) are green, and the last three (GGG) are yellow. The strands are connected by horizontal lines representing base pairs. The top strand has a red line, and the bottom strand has a blue line. The sequence is TTTAAGGG.
